

GRI Report Registration Form

By filling out this form and submitting it to ReportRegistration@globalreporting.org, you **declare** that you are either an individual from the reporting organization or a 3rd party representing the organization who is authorized to submit the GRI Standards report on the organization's behalf and informed the organization's contact about sharing their details with GRI for registration purposes.

Upon receiving this completed form, the notification process for your report as per clause 3.1. from GRI 101: Foundation 2016 is complete.

NOTE: due to an ongoing review of the GRI Sustainability Disclosure Database and registration process, your submission will be queued, and it may be processed at a later stage in line with future decisions. This means that your registration will not be made publicly available. This will not affect your compliance.
