Carol Adams	Yes		There are a lot of acronyms, a number of which are not used outside the GSSB or GRI. Suggest a list of acronyms used accompanies the summary.
Charles Cho	Yes		In agreement with the comments from Chulendra
Chulendra de Silva	Yes		I approve this subject to the minutes also carrying the fact that the amendments to the Universal Standards were also given careful consideration on their proposed amendments, especially in the light of the paper on the Global Reporting System and the current landscape of corporate reporting. I believe we discussed the heightened priority of the amendments to the Universal standards, and thus agreed to bring

			the IRO project outcomes as guidelines for reporters to assist their journey from impacts to risks and opportunities. I didn't see this referenced in row 97 and 98, and wondered whether we need to do so.
