

GSSB Action Register

Updated 9 January 2025

For GSSB information

Subject	GSSB action points
Description	This document lists all action points agreed during public sessions of the GSSB as well as in meetings of the GSSB with other standard setters. It will be updated on a regular basis.

This document has been prepared by the GRI Standards Division and is made available to observers at meetings of the Global Sustainability Standards Board (GSSB). It does not represent an official position of the GSSB. Board positions are set out in the GRI Sustainability Reporting Standards. The GSSB is the independent standard setting body of GRI. For more information visit www.globalreporting.org.
